The Leotek Advantage

After Leotek's LED lighting products were installed in Couche-Tard's Saint-Lin location, the store saw significant energy savings and enhanced light levels. Leotek LED products installed include: Gas Canopy Lights, Parking/Area Lights, Wall-Packs, Soffit Lights, Lite-Stiks (Signage and Canopy fascia backlighting), and Cooler Lights. Backed by a 5-year warranty, Leotek's long life LED products are virtually maintenance free, offering Couche-Tard the lowest annual cost of ownership in the industry.

About Leotek

Leotek Electronics USA Corp., located in Silicon Valley, California since 1997, is globally recognized as a pioneer in light-emitting diode (LED) technology. With millions of LED products installed throughout the United States, as well as on a global scale, Leotek offers a history of proven performance. We manufacture innovative LED lighting products for applications encompassing traffic and transit, street and area, commercial, and petroleum, convenience, grocery and retail stores. Leotek is committed to developing emerging solid-state technology that offers greater longevity and environmental viability than traditional lighting sources, while reducing energy consumption and maintenance costs. Leotek, "The Leader in Electro-Optics Technology," continues to lead the next generation with LED Green Technology.
