The Leotek Advantage

Couche-Tard's new Sainte-Sophie location in Quebec utilized Leotek's full line of LED lighting products for exterior and interior applications including Canopy Lighting, Parking/Area Lighting, Soffit Lighting, Wall-Pack Lighting, Signage/Canopy Fascia Backlighting, and Cooler Lighting. Couche-Tard Sainte-Sophie now benefits from increased brightness and evenly distributed illumination. The improved lighting projects a strong brand image and helps to enhance the customer experience. Couche-Tard also enjoys a 5-year warranty, no maintenance costs, and the lowest possible annual cost of ownership in the industry. Undoubtedly, these savings go right to the bottom-line.

About Leotek

Leotek Electronics USA Corp., located in Silicon Valley, California since 1997, is globally recognized as a pioneer in light-emitting diode (LED) technology. With millions of LED products installed throughout the United States, as well as on a global scale, Leotek offers a history of proven performance. We manufacture innovative LED lighting products for applications encompassing traffic and transit, street and area, commercial, and petroleum, convenience, grocery and retail stores. Leotek is committed to developing emerging solid-state technology that offers greater longevity and environmental viability than traditional lighting sources, while reducing energy consumption and maintenance costs. Leotek, “The Leader in Electro-Optics Technology,” continues to lead the next generation with LED Green Technology.
