LED GREEN Technology

FOR IMMEDIATE RELEASE

Leotek Appoints a Host of New Territory Agents for the Petroleum Market

MILPITAS, CALIFORNIA - June 17, 2011 - Leotek Electronics USA Corp., a global pioneer in light-emitting diode (LED) technology since 1992, and member of the Petroleum Equipment Institute (PEI), announced today that several new petroleum market manufacturers' agents have been recently appointed. These agents will represent Leotek's line of cost-saving LED lighting products throughout a widespread North and South American territory. Leotek is committed to providing world-class customer service. The appointment of these agents is a significant advancement in the company's commitment to better serve customers from the Petroleum and Convenience Store sector.

The PEI agents for the United States, Centennial Rep Agency - Aurora, CO - will represent Colorado, Idaho, Montana, New Mexico, Utah, and Wyoming. CWC Associates - Germantown, TN - will represent Alabama, Mississippi, and Central and Western Tennessee. Far West Sales & Marketing - Goodyear, AZ - will represent Arizona, Southern California and Southern Nevada. Holloway Marketing Systems - Waterford, MI - will represent Indiana, Kentucky, Michigan, and Ohio. Petro Energy - Houston, TX - will represent Arkansas, Louisiana, Oklahoma and Texas. Priority Sales - Longwood, FL - will represent Florida. S&R Sales - Burnsville, MN - will represent Minnesota, North Dakota, South Dakota, and Wisconsin. Tryton Environmental - Raleigh, NC - will represent Georgia, Maryland and the District of Columbia, North Carolina, South Carolina, and Eastern Tennessee.

The PEI agent for Latin America, Hockman-Lewis LTD - West Orange, NJ - will represent the Caribbean, Mexico, and Central and South America.

About Leotek

Leotek Electronics USA Corp., located in Silicon Valley, California since 1997, is globally recognized as a pioneer in light-emitting diode (LED) technology. With millions of LED products installed throughout the United States, as well as on a global scale, Leotek offers a history of proven performance. We manufacture innovative LED lighting products for applications encompassing traffic and transit, street and area, commercial, and petroleum, convenience, grocery and retail stores.

Leotek is committed to developing emerging solid-state technology that offers greater longevity and environmental viability than traditional lighting sources, while reducing energy consumption and maintenance costs. Leotek, "The Leader in Electro-Optics Technology," continues to lead the next generation with LED Green Technology. For more information, please visit www.leotek.com.
